Methodist Le Bonheur Healthcare will be implementing a new Radiology PACS system, McKesson Horizon, on:

July 28

- University Hospital
- South Hospital
- Midtown Diagnostic Center
- Minor Medical Centers

August 18

- Germantown Le Bonheur Hospital
- Germantown Diagnostic Center
- Germantown Breast Center
- North Hospital
- North Diagnostic Center
- Fayette Hospital
- Olive Branch Hospital
- Southaven Diagnostic Center

September 8

- Le Bonheur Children's Hospital
- Urgent Care Centers

How to Access Radiology Images

After implementation date listed above:

1. Go to MollIMD or MethodistMD and select [MyApps](#)
2. From list of Clinical Applications, select **McKesson Radiology CRV**

Prior to date listed above, use current process:

1. Go to MollIMD or MethodistMD and select [MyApps](#)
2. From list of Clinical Applications, select **Radiology PACS**

PowerChart mPage-Radiology PACS

PACS images in McKesson will be available in the mPage September 9 -- after the last site is migrated off GE. Between the go live dates and September 9, images stored on McKesson will not be accessible through the mPage.
