PEDIATRIC ORTHOPAEDICS:
Common Conditions and Upper Extremity Injuries
Saturday, October 17, 2015
Le Bonheur Children’s Hospital Faculty Office Building Classroom

Course Description
This program is designed for people involved in the care of young children and adolescents. Because misdiagnosis or inappropriate treatment can result in life-long problems, it is important that providers be aware of the spectrum of orthopaedic conditions and injuries and can differentiate conditions that can be treated conservatively from those that require surgical treatment. This program will emphasize some common and uncommon orthopaedic conditions that require this knowledge.

Target Audience
This course is designed for primary care physicians, orthopaedic physicians, pediatricians, emergency medicine physicians, physical therapists, and other healthcare professionals involved in treating orthopaedic conditions and injuries in children and adolescents.

Objectives
Upon completion of this course, the participant should be able to:
• Identify appropriate diagnostic tests and imaging modalities for evaluation of conditions/injuries.
• Determine appropriate treatment of certain orthopaedic conditions (non-operative vs operative).
• Recognize risks of long-term sequelae from common conditions and injuries.
• Identify appropriate operative treatment options for common conditions and injuries.
• Evaluate surgical options for pediatric orthopaedic conditions and choose the best procedure for each patient.

Course Director
William C. Warner, Jr., M.D.
Professor, Department of Orthopaedic Surgery
University of Tennessee Health Science Center
Active Staff, Campbell Clinic
Memphis, Tennessee

Keynote Speaker
Peter M. Waters, M.D.

Accreditation
Methodist Le Bonheur Healthcare is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Methodist Le Bonheur Healthcare is an approved provider of continuing nursing education by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Credit
Methodist Le Bonheur Healthcare designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credit Hours ™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

This activity will provide 4.08 contact hours.

Faculty Disclosure
As a provider accredited by ACCME, Methodist Healthcare must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director, planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

Tuition
The fee is $100.00 for physicians and $50.00 for all other healthcare professionals. The registration fee includes breakfast and break. Full refund will be given for cancellation notice in writing before September 17. Cancellations after that date will be assessed a fee. No refunds will be given after October 3. Methodist Le Bonheur Healthcare reserves the right to alter, reschedule, or cancel this program should circumstances so dictate.

Conference Materials
Conference materials will be available electronically. After registering for the conference, you will be given a link and password to access the materials. However, the materials will not be available for downloading until 3 days prior to the conference.

Conference Site
Le Bonheur Children’s Hospital Faculty Office Building Classroom
51 N. Dunlap Street • Memphis, TN 38103
