

Appendix:

Department		Procedure Treatment	Number of cases
Internal Medicine	Cognitive	Care of Pneumonia, CHF, Sepsis Mgt	5
	Procedural	CL insertion using bundle	5
Gastroenterology	Cognitive	GI bleed	5
	Procedural	EGD, ERCP, Colonoscopy with or without polyp removal	5
Hematology/Oncology	Cognitive	Mgt pneumonia, sepsis	5
	Procedural	Bone marrow	5
Pulmonary/Critical Care	Cognitive	Vent Mgt of Pt with ARDS	5
	Procedural	Bronchoscope	5
Neurology	Cognitive	Treatment Stroke Pt	5
	Procedural	EEG, EMG and any special priv if request is new	5
General Surgery	Cognitive	1st 5 major cases to include at least 3 lap cases if lap priv	5
Anesthesiology	Procedural	Mgt of difficult airway & CV cases	5
	Procedural	TEEs	5
Urology	Procedural	nephrectomy/partial nephrectomy and prostatectomy recommended	5
Ophthalmology	Procedural	outer - cataract extraction	5
		middle - corneal transplant	
		posterior - retinal detachment repair	
Otolaryngology	Cognitive & Procedural	T&A, neck dissection, superficial parotidectomy	5
Radiology		Interventional - Radiofrequency tumor ablation, Diagnostic - MR Angiogram, Overreads of Diagnostic films.	5
Pathology	Surg	50 cases	50
	Cytology	non-Gyn/FNA	10
	Autopsy	autopsy	1
	FNA	FNA	3
	Clinical Path		
	Heme	bone marrows	2
	Transfusion med	pheresis procedures	2
	chem/dx immunology	25 cases	25
Psychiatry	Cognitive	Major depression	5
Orthopedics	Procedural	Total Joint Replacement, Repair of Hip fracture, any ORIF.	5
Ob/Gyn	Cognitive	Intrapartum Management (2)	2
	Procedural	One each; Cesarean section, Exploratory Laparotomy or Hysterectomy, Laparoscopic procedure	3
Neurosurgery	Procedural	lumbar lam, craniotomy	5
Cardiology	Cognitive	Care of AMI pt	5
	Procedural	ECHO, Cardiac Cath, PTCA, AICD, RFA, TEE	5
CV/Thoracic	Cognitive	Management of the below patients	5
	Procedural	CABG/Valve, AAA, Thoracotomy, Carotid Endarterectomy	5
Emergency Medicine	Cognitive	AMI, Pneumonia, DX and TX Sepsis	5

Department		Procedure Treatment	Number of cases
	Procedural	Intubation	5
Pediatric Medicine	Cognitive & Procedural Listed below:	Review of cases by Division Consultant/ Medical Director or their Designee	
Allergy/Immunology/ Rheumatology	Cognitive	Asthma, Anaphylaxis, Urticaria/Angioedema, Drug Allergy, Atopic Dermatitis or Recurrent Infection	5
Cardiology		Non-ICU Service: First (5) patients with congenital heart disease on Inpatient service during first week of service retrospectively reviewed.	5
	Cognitive	Cardiac ICU - Concurrent proctoring for first week on all patients.	100% 1st wk
		Retrospective review of 100% of charts during first month.	100% 1st month
	Procedural	Transthoracic echo	20
		Transesophageal Echo	5
		Interventional Cardiac Cath including device use, angioplasty, or electrophysiology	5
		100% of charts and angiograms reviewed in first 3 months	100%
Critical Care	Cognitive	2 cases: Post Op Cardiac, 2 cases: Patient on High Frequency Oscillatory Ventilation 2 cases: Respiratory Failure	5
	Procedural	5 cases: Central Venous Line,	5
Emergency Medicine	Cog	Random selected charts reviewed monthly for first 3 months	15 - 20
	Procedural	<i>For Sedation Privileges:</i> After obtaining MHS privileges, must attend focused didactic session with basic airway skills demonstration, successfully pass written exam and First (5) Sedations monitored by privileged provider.	5
General Pediatrics	Cognitive	1 case: Gastroenteritis 2 cases: Asthma/Bronchiolitic 2 cases: FUO fever undetermined origin and/or 5 evaluation and management of newborn	5
Dermatology	Cognitive	Dermatology Consults	5
Developmental Pediatrics	Cognitive & Procedural	Do not admit patients	
Family Practice	Cognitive	(1) Gastroenteritis (2) Asthma/Bronchiolitic (2) FUO fever undetermined origin and/or (5) evaluation and management of newborn	5
Neonatology	Cognitive	(3) Patients & Respiratory Distress Syndrome (2) NEC	5
	Procedural	(5) Intubation, Artery line and Lumbar puncture	10
Psychiatry	Cognitive	5 Psychiatric Consultations	5
Rehabilitation/Physical Medicine	Cognitive	(2) Brain Injuries (3) Patients in Need of Rehab	5
Endocrinology	Cognitive	(5) Patients admitted for diabetes	5
Gastroenterology	Cognitive	(3) Admissions	3

Department		Procedure Treatment	Number of cases
	Procedural	(2) EGD (1) colonoscopy (1) polypectomy (1) Liver biopsy	5
Genetics	Cognitive & Procedural	(5) Evaluation for Birth Defects and/or Metabolic Disorder	5
Hematology	Cognitive	(5) Sickle Cell and/or Idiopathic thrombocytopenic (ITP)	5
Infectious Disease	Cognitive & Procedural	3 consults for fever of undetermined origin (FUO) 2 consults for positive blood culture	5
Nephrology	Cognitive & Procedural		
Neurology	Cognitive	Status epilepticus and/or Neonatal Seizure and/or First time unprovoked seizure and/or Guillia-Barre Syndrome and/or A spinal cord lesion	5
Pathology	Cognitive & Procedural	Refer to Adult Pathology	
Pulmonology	Cognitive	New Patient consultations	5
	Procedural	Bronchoscopy	5
Radiology	Cognitive & Procedural	Ultrasound-Pylorus, Chest X-Ray, MRI of Brain, Upper GI, CT of Head	5
Pediatric Surgery	Cognitive & Procedural Listed below:	Review of cases by Division Consultant/ Medical Director or their Designee	
Anesthesia	Cognitive	General Anesthesia - Children 2 yrs and younger (5 cases), Children over 2 yrs (5 cases)	10
General Surgery	Procedural	Inguinal hernia repair(2), Central line (1), Laparoscopic appendectomy (1), Gastrostomy tube (1), circumcision (1) _ exploratory laparotomy on neonate with NEC (1)	7
Cardiovascular Surgery	Procedural	(2) Shunts, (2) VSD's & (1) Coarctation	5
Gynecology	Procedural	(2) Genital Condyloma excision, (2) Repair of Genital lacerations, (2) Excision of Genital Lesions, (1) Vaginoscopy, (1) EUA & (1) Laparoscopy	9
Plastic Surgery	Procedural	(1) Cleft Palates, (1) Cleft Lip, (2) STSG's & (1) Removal/Excision Lesions	5
Oral Surgery	Procedural	Surgical removal of teeth - 5 cases, Reconstruction mandible or maxilla - 1 case	6
Pediatric Dentistry	Procedural	(2) Cases in OR per cycle (most dental procedures done in office daily)(skill in OR protocols are what must be monitored)	2
Neurosurgery	Procedural	(2) Craniotomies, (3) Shunts	5
Ophthalmology	Procedural	(2) Recession/Resection, (1) Tear Duct Probe, (1) Cataract Surgery & (1) EUA	5
Orthopedics	Procedural	(2) CRPP, (1) ORIF, (1) Spinal Fusion & (1) Spica	5
Otolaryngology	Procedural	(2) PET, (2) T and/or A, (1) DLB & (1) Tracheostomy	6
Urology	Procedural	(2) Cystoscopy, (1) Reimplant, (1) Circumcision & (1) Laparoscopy	5
