CURRENT BYLAW REQUIREMENTS FOR GRANTING TEMPORARY PRIVILEGES:

1. Temporary Privileges to fulfill important patient care or service needs

Temporary Privileges may be granted to a practitioner, preceptor or preceptee, who has unique skills or knowledge, when a current member of the Medical Staff wishes to have them participate in specific individual procedure(s) or render care to a specific patient(s). Temporary privileges granted pursuant to this section shall be limited to the identified procedure(s), patient(s) and time period. The time period will not exceed 120 days.

2. During the Processing of an Application

Temporary privileges may be granted by the CEO, or designee, upon request after all application information is verified, deemed complete, and a recommendation for approval for membership and/or clinical privileges has been made by the Department Chair, the Credentials Committee, or the Credentials Committee Chair or the Chief of Staff, or their designee, prior to final action by the Medical Executive Committee and the Board of Directors.
