13th Annual Pediatric Neurology Symposium
April 26-27, 2019
The Guest House at Graceland
Memphis, Tennessee

THE GUEST HOUSE AT GRACELAND

Sponsored by the Neuroscience Institute at Le Bonheur Children’s Hospital

Le Bonheur Children's Hospital Neuroscience Institute

Where Every Child Matters
lebonheur.org/neuroscience
Overview
Recognizing nervous system disorders early and caring for them properly are crucial in treating the pediatric patient with nervous system disorders. Physicians who treat nervous system disorders may have to spend a lot of time working with the patient before making a probable diagnosis a specific neurologic condition. This program will educate healthcare providers so as to shorten the amount of time spent in making diagnoses and help enhance their treatment plans. The program is intended for healthcare providers interested in the shared and unique mechanisms in nervous system disorders, and learning about emerging therapies as well as novel imaging modalities. The program is intended to update primary care practitioners, adult and pediatric neurologists, family practitioners, physician assistants, nurses, nurse practitioners and other interested individuals regarding the diagnosis and management of nervous system disorders in children.

Objectives:
Upon completion of this course, the participant will be able to:

• Recognize the consequences of anti-epileptic drug use during pregnancy
• Enumerate the evaluation and treatment of auto-immune encephalitis in children
• Categorize and administer treatment options for children diagnosed with spinal muscular atrophy
• Appraise the latest concepts and advances in the treatment of adolescents with migraine headache
• Identify and evaluate the most common cognitive side-effects of anti-epileptic drugs
• Incorporate significant neuroradiological findings into diagnostic assessments
• Discuss treatment options for children diagnosed with muscular dystrophy
• Differentiate disorders which present as a conversion disorder
• Construct a plan for diagnosis of genetic causes of epilepsy in infants and children

This seminar has been designed to encompass state-of-the-art practices and trends in treating pediatric neurology patients. Faculty who are both clinically and academically oriented will address relevant issues and provide valuable information and insight into situations commonly presented to subspecialists in pediatric neurology. This will be performed using case-based learning and didactic lectures with time for questions and answers.
Course Director:
James W. Wheless, R.Ph., MD, FAAP, FACP, FAAN, FAES
Professor and Chief of Pediatric Neurology
Le Bonheur Chair in Pediatric Neurology
The University of Tennessee Health Science Center
Director, Le Bonheur Comprehensive Epilepsy Program &
Neuroscience Institute
Le Bonheur Children’s Hospital, Memphis, Tennessee

Faculty:

Asim F. Choudhri, MD
Associate Professor of Radiology and Neurosurgery
The University of Tennessee Health Science Center
Director of Neuroradiology
Le Bonheur Neuroscience Institute
Le Bonheur Children’s Hospital, Memphis, Tennessee

Susan lannaccone, MD
Professor of Neurology
Jimmy Elizabeth Westcott Distinguished Chair of Pediatric Neurology
Associate Director of Wellstone Center for Muscular Dystrophy
Warren A. Weinberg Chair of Pediatric Neurology and Learning
Children's Health Specialty Center
University of Texas Southwestern, Dallas, Texas

Robin Jack, MD
Associate Professor of Pediatrics and Neurology
The University of Tennessee Health Science Center
Le Bonheur Neuroscience Institute
Le Bonheur Children’s Hospital, Memphis, Tennessee

Stephen Landy, MD
Clinical Professor, Department of Neurology
The University of Tennessee Health Science Center, Memphis, Tennessee

Amy McGregor, MD
Associate Professor of Pediatrics and Neurology
The University of Tennessee Health Science Center
Le Bonheur Comprehensive Epilepsy Program
Le Bonheur Neuroscience Institute
Le Bonheur Children’s Hospital, Memphis, Tennessee

Kim Meador, MD
Professor of Neurology and Neurosciences
Clinical Director of Stanford Comprehensive Epilepsy Center
Stanford School of Medicine, Palo Alto, California

Namrata Shah, MD
Professor of Pediatrics and Neurology
The University of Tennessee Health Science Center
Le Bonheur Neuroscience Institute
Le Bonheur Children’s Hospital, Memphis, Tennessee
Faculty Disclosure
As a provider accredited by ACCME, Methodist Le Bonheur Healthcare must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director, planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

Accreditation
Methodist Le Bonheur Healthcare is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit
Methodist Le Bonheur Healthcare designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Registration Fees
The registration fee is $195.00 for physicians and non-healthcare attendees. The fee is $140.00 for nurse practitioners and physician assistants. The fee is $90.00 for fellows, residents, nurses and other healthcare providers. This includes the reception, one breakfast, and breaks. Full refund will be given for cancellation notice in writing before March 31, 2019. Guests of registered attendees may attend the Friday night dinner for an additional $40.00. Cancellations after that date will be assessed a fee. No refunds will be given after April 15, 2019. Methodist Le Bonheur Healthcare reserves the right to alter, reschedule, or cancel this program should circumstances so dictate. For further information, call (901) 516-8933 or visit www.methodistmd.org.
Friday, April 26, 2019

1:00 p.m.  Registration
1:30 p.m.  Welcome, Opening Remarks and Disclosures
            Dr. James Wheless

            **Moderator: Dr. James Wheless**

1:40 p.m.  Kayden R. Vinson Distinguished Scholar Award and Lecture: Pregnancy - Antiepileptic Drug Therapy Update - Dr. Kim Meador

2:20 p.m.  Question and Answer Session

2:30 p.m.  Auto-immune Encephalitis in Pediatrics: Diagnosis and Treatment Protocol - Dr. Namrata Shah

3:15 p.m.  Break

3:45 p.m.  Spinal Muscular Atrophy: Are We Prepared to Deal with Success? - Dr. Susan Iannacconne

4:25 p.m.  Question and Answer Session

4:35 p.m.  Adolescent Migraine: Approach to Treatment and Novel Therapies - Dr. Stephen Landy

5:45 p.m.  Reception

6:15 p.m.  Dinner

**Scholarship Opportunities**

A limited number of scholarships for pediatric neurology residents have been made available through unrestricted educational grants. Scholarships cover the cost of tuition and lodging. Candidates interested in attending should send a letter from your program director along with the registration form to the information below:

**Attn: James W. Wheless, R.Ph., MD, FAAP, FACP, FAAN, FAES**
Le Bonheur Children’s Hospital
49 N. Dunlap, 3rd Floor, Pediatric Neurology
Memphis, TN 38103

**Conference Materials**

Conference materials will be available electronically on **April 24, 2019**. After registering for the conference you will be given a link and password to access the materials.
Saturday, April 27, 2019

7:45 a.m.  Continental Breakfast

  Moderator: Dr. James Wheless

8:30 a.m.  Evaluating Cognitive Side-effects of Anti-epileptic Drugs
            Dr. Kim Meador

9:10 a.m.  Neurology (MRI) Case Review: Images You Will Want
            to Know! - Drs. Asim Choudhri and Amy McGregor

9:45 a.m.  Question and Answer Session

9:55 a.m.  Treatment of Muscular Dystrophy in 2019: Too Many Choices?
            - Dr. Susan Iannaccone

10:35 a.m. Break

10:55 a.m. Conversion Disorders in Pediatric Neurology: How to
            Recognize and Treat - Dr. Robin Jack

11:40 a.m. Utilizing Modern Genetics to Improve Diagnosis and
            Treatment Outcomes in Children with Epilepsy: A Clinical Guide
            - Dr. James Wheless

12:35 p.m. Question and Answer Session

12:50 p.m. Adjourn

Conference Site & Hotel Accommodations

The Guest House at Graceland is across the street from Elvis Presley’s Graceland Attraction. For more information regarding tours and activity options that are available either pre or post conference please visit their website at www.graceland.com.

The Guest House at Graceland Hotel
3600 Elvis Presley Blvd. • Memphis, TN 38116
901-443-3000 or www.guesthousegraceland.com

Ask for the “Le Bonheur Children's Hospital” room block.

Guests are offered a complimentary shuttle to and from the various attractions Downtown Memphis has to offer.

Room rate of $149.00 + tax/night if made by March 26, 2019.
Reservations must be made to ensure a room by April 22, 2019.

Area Attractions

Please refer to the web site www.memphistravel.com for a list of Memphis attractions and details.
