1st ANNUAL CONFERENCE on
Updates in Pulmonary Medicine
for the Primary Care and Hospitalist Physician
sponsored by Methodist University Hospital and
University of Tennessee Methodist Physicians

Friday, September 6, 2019
University of Memphis • FedEx Institute of Technology
365 Innovation Drive • Memphis, TN 38152

Register online at www.methodistmd.org
COURSE DESCRIPTION

The 1st Annual Conference “Updates in Pulmonary Medicine” for the Primary Care and Hospitalist Physician is designed as an update and review in a variety of areas related to pulmonary medicine that you may encounter with patients in a primary care and inpatient setting. Evidence-based lectures will be delivered by academically and clinically oriented faculty and will provide valuable information and insight into situations that are commonly encountered by the primary care physician and hospitalist physician.

TARGET AUDIENCE

This conference is intended to enhance knowledge and improve competency for internal medicine clinicians (both primary care and hospitalists), nurse practitioners, physician assistants and other healthcare professionals who are involved in diagnosing, treating and preventing pulmonary diseases in the general patient population.

EDUCATIONAL OBJECTIVES

Upon completion of this conference attendees should be able to:

• Understand diagnosis and management of Asthma and Chronic Obstructive Pulmonary Disease
• Understand approach to pulmonary nodules, lung cancer and lung cancer screening program
• Assess and understand diagnosis and management of interstitial lung disease and sarcoidosis
• Diagnose and review management of pulmonary embolism
• Discuss new management guidelines in pneumonia
• Discuss approach to clinical conditions like chronic cough, difficult to treat asthma and recurrent pneumonia

COURSE DIRECTORS

Dipen Kadaria, MD, FACP, FCCP, is a Pulmonary and Critical Care physician at Methodist University Hospital and Associate Professor of Medicine at the University of Tennessee Health Science Center, Division of Pulmonary, Critical Care and Sleep medicine. He is also the director of Interstitial Lung Disease and Sarcoidosis program at Methodist University Hospital as well as the program director for the Critical Care medicine fellowship program at UTHSC. Dr. Kadaria is board certified in internal medicine, pulmonary medicine and critical care medicine. His areas of interest are interstitial lung disease, sarcoidosis, sepsis and ARDS.

Amik Sodhi, MD, FCCP, is a Pulmonary and Critical Care physician at Methodist University Hospital and Associate Professor of Medicine at the University of Tennessee Health Science Center, Division of Pulmonary, Critical Care and Sleep medicine. She is also the program director for Pulmonary and Critical Care fellowship program and current interim chief of the Division of Pulmonary, Critical Care and Sleep medicine at UTHSC. Dr. Sodhi’s areas of interest are ARDS, sarcoidosis and critical care ultrasonography. She is board certified in Internal medicine, pulmonary medicine and critical care medicine.

COURSE FACULTY

Amado X. Freire, MD, MPH, Professor of Medicine, Division of Pulmonary, Critical Care and Sleep Medicine, Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Julia Molina Lanfranco, MD, Assistant Professor of Pulmonary, Critical Care and Sleep Medicine, Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Scott E. Sinclair, MD, Associate Professor of Pulmonary, Critical Care and Sleep Medicine; Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Qasim Mirza, MD, Clinical Assistant Professor, Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Muthiah P. Muthiah, MD, FCCP, Associate Professor of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Scott E. Sinclair, MD, Associate Professor of Pulmonary, Critical Care and Sleep Medicine; Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Nathan Wilds, MD, Active Staff, Methodist Le Bonheur Healthcare, Memphis, Tennessee

Muhammad K. Zaman, MD, Professor of Medicine - Pulmonary, University of Tennessee Health Science Center, Memphis, Tennessee

Melanie S. Mirza, MD, MPH, Associate Professor of Medicine and Director of the Asthma and COPD program - Pulmonary, University of Tennessee Health Science Center, Memphis, Tennessee

COURSE FACULTY

Muthiah P. Muthiah, MD, FCCP, Associate Professor of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Scott E. Sinclair, MD, Associate Professor of Pulmonary, Critical Care and Sleep Medicine; Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Nathan Wilds, MD, Active Staff, Methodist Le Bonheur Healthcare, Memphis, Tennessee

Muhammad K. Zaman, MD, Professor of Medicine - Pulmonary, University of Tennessee Health Science Center, Memphis, Tennessee

COURSE FACULTY

Muthiah P. Muthiah, MD, FCCP, Associate Professor of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Scott E. Sinclair, MD, Associate Professor of Pulmonary, Critical Care and Sleep Medicine; Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Nathan Wilds, MD, Active Staff, Methodist Le Bonheur Healthcare, Memphis, Tennessee

Muhammad K. Zaman, MD, Professor of Medicine - Pulmonary, University of Tennessee Health Science Center, Memphis, Tennessee

COURSE FACULTY

Muthiah P. Muthiah, MD, FCCP, Associate Professor of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Scott E. Sinclair, MD, Associate Professor of Pulmonary, Critical Care and Sleep Medicine; Department of Medicine, University of Tennessee Health Science Center, Memphis, Tennessee

Nathan Wilds, MD, Active Staff, Methodist Le Bonheur Healthcare, Memphis, Tennessee

Muhammad K. Zaman, MD, Professor of Medicine - Pulmonary, University of Tennessee Health Science Center, Memphis, Tennessee

AGENDA

Friday, September 6, 2019

7:30 – 7:50 a.m. Registration and Breakfast

7:50 – 8:00 a.m. Welcome and Opening Remarks – Dr. Dipen Kadaria

8:00 – 8:40 a.m. Diagnosis and Management of Asthma and COPD – Dr. Muthiah P. Muthiah

8:40 – 9:20 a.m. Overview of Lung Cancer – When to Refer for Lung Nodule? Dr. Nathan Wilds

9:20 – 9:30 a.m. Break

9:40 – 10:20 a.m. New Management Guidelines for Pneumonia – Dr. Amik Sodhi

10:20 – 11:00 a.m. Break

11:00 – 11:10 a.m. Updates in Management of Pulmonary Embolism – Dr. Julio Lanfranco

11:10 – 11:40 a.m. Panel Discussion on Three Interesting Cases Drs. Sinclair, Mirza, Zaman and Freire

11:40 – 12:40 p.m. Concluding Remarks – Dr. Amik Sodhi

12:40 – 12:45 p.m. Concluding Remarks – Dr. Amik Sodhi

FACULTY DISCLOSURE

As a provider accredited by ACCME, Methodist Le Bonheur Healthcare must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director, planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with a commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

CME ACCREDITATION

ACCREDITATION: Methodist Le Bonheur Healthcare is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Methodist Le Bonheur Healthcare designates this live activity for a maximum of 4.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
