Charge Reconciliation Process	Currently, Revenue Integrity owns charge reviews. Curently, RI doesn't own all the charge review. We have some departments that work their own department edits. In the future state, Individual cost center owners will own charge review.	• Clinical Operations Revenue Integrity	●	😊		✓	
Regulatory Edit Ownership	Revenue Integrity currently owns most regulatory edits. In the future, some departments will be taking ownership of their regulatory edits.	• Clinical Departments	●	😐	✓
