

Update Your Medical Oncologist and Hematologist Tools

This document is a companion to the user settings quick start guide. It includes existing content you can leverage and ideas for content you might want to create. Note: This is a starting point and is not intended to be an exhaustive list.

Notes

Tip: Add your most commonly-used SmartTexts and SmartPhrases as speed buttons.

SmartTexts

Save these templates as SmartPhrases to edit them, or add them to your favorites as-is.
